

## **M11 -- The Circle as Container**

### **Opening Reading and Song**

**Opening Reading (around the circle):** The goals that were set forth for the small groups as they were being established were to

- Draw us into mutual ministry
- Strengthen our congregation
- Deepen our understanding of UU principles and values
- Continuously develop lay leadership
- Challenge us to action and spiritual growth
- Express our principles and values in the community
- Help members identify their own calling and expression of lay ministry

**Opening Song:** Gathered Here

Gathered here in the mystery of the hour,  
Gathered here in one strong body,  
Gathered here in the struggle and the power,  
Spirit draw near.
